

Sliding Scale Financial Aid Application - Grades 3-4

This financial aid program is for families with a gross annual household income under \$150K in the Bay Area and \$100K in the Greater Sacramento Area. Weekly rates will be determined on an individual basis from the information provided to us in this application. We aim to find a camp price that works for every family's budget. For our lowest tier rates, we may ask families to provide proof of income with a W-2 or tax return. This is a first come, first serve program with limited availability. Beginning in March, we will respond to all pending applications in the order they were submitted. Applications received after March 15 will be responded to within 10-14 business days of submission.

If you would like to apply for financial aid for multiple children, please complete a separate application for each child.
